2019-2020 School Year

Dear Tuition Assistance Applicants:

Lake Center Christian School distributes a limited amount of funds each school year to help families who cannot afford the full price of tuition for their child(ren) to attend the school. These funds have been provided by grants; donations made in memory of Ernest Weaver, Herman Weaver, Howard Miller, Peggy Hartman, and Kenneth Lockwood; and through other donors who have a desire to see as many children benefit from a Christian education as possible.

FACTS Grant & Aid Assessment Service will be conducting the financial need analysis for the 2019-20 school year. Families applying for tuition assistance will need to complete an online application and submit the necessary supporting documentation to FACTS. **Your application will not be processed if any documentation is missing.** You do not need to fill in next year's tuition. We will submit that information to FACTS. A supplemental application form (enclosed) **must** also be filled out and returned to the LCCS business office.

As you submit your applications for tuition assistance, please take the following into consideration:

- ◆ All information submitted is considered to be extremely confidential and will only be discussed within the setting of the Tuition Assistance Committee.
- ◆ The funds available for distribution each year are limited and may vary from year to year. Funds will be made available to those who qualify on a percentage basis.
- ◆ Tuition Assistance **must** be applied for every year.
- ◆ Your tuition payments must be current and your student commitment fee(s) for 2019-20 must be paid. If you decide not to send your child(ren), you have 2 weeks after you receive the tuition assistance award letter to notify the school and we will refund your student commitment fee(s).
- ◆ Information on ability to pay that is determined through FACTS will be used solely as a guideline for the LCCS Tuition Assistance Committee in determining the actual amount of assistance to be granted.
- ◆ You will be giving information on both applications that is similar or identical in some cases. Both applications must be filled out completely in order to be considered.
- ◆ **The deadline to apply is April 15th to be considered for tuition assistance.**

Our goal is to process information received in a timely manner. You will be informed through a letter regarding the status of your application by mid-June. If you have any questions, please contact the LCCS Business Manager or Superintendent.

Sincerely,
LCCS Tuition Assistance Committee

All your children shall be taught by the LORD; and great shall be the peace of your children. - Isaiah 54:13
